

System Turnover & Acceptance Certificate

SRRV Service Platform — confirming delivery, documentation handover, and client acceptance under the Project-Base Web Development Contract.

PROJECT	SRRV Service Platform
CONTRACT REFERENCE	Project-Base Web Development Contract, effective May 22, 2026 – July 30, 2026
CONTRACT VALUE	PHP 80,000.00 (2 installments of PHP 40,000.00 per contract §3)
PRODUCTION DOMAIN	retirewellsrrv.com
CLIENT / PROJECT OWNER	Nestor Licanto
SERVICE PROVIDER	Angelo Budji Solano (Developer / Project Manager), Louella Layson (Marketing / Project Manager)

Per contract §3, full system turnover — source code, environment credentials, and deployment access — is contingent on confirmation of the 2nd and final payment of PHP 40,000.00. This certificate should only be signed once that payment is confirmed and every item below has been handed over in fact, not only documented.

1. Delivered Modules

Per contract §1 (Scope of Work), the following modules were delivered and are implemented in the delivered codebase:

✓	Module
✓	Public Website & Landing Pages
✓	Authentication & Role-Based Access Control (applicant / admin / super admin)
✓	Applicant Dashboard
✓	Online Application Form
✓	Document Upload Module
✓	Application Tracking Module
✓	Payment Module (Xendit Integration)
✓	Messaging / Inquiry & Chatbot-Ready Architecture
✓	Admin Dashboard
✓	Service / Package Management
✓	Notifications System
✓	Infrastructure & Deployment (Vercel + Supabase)

2. Turnover Documentation Package

✓	Document
✓	User Guide (SRRV-User-Manual.html / .pdf)
✓	Technical / System Documentation
✓	Deployment Guide
✓	Environment Variables List
✓	Database Schema / ERD
✓	API Documentation
✓	Access Handover Sheet
✓	Admin User Guide
✓	Maintenance Guide
✓	Known Issues / Limitations List
✓	Support / Warranty Terms
✓	Source Code Repository — already transferred to the client's GitHub account
	Credentials Transfer (Supabase, Vercel, Xendit, Resend, Porkbun) — <i>confirm before signing</i>

3. Acknowledgement

By signing below, both parties confirm that:

- All modules listed in §1 have been delivered and are functioning as described in the accompanying User Guide and Admin Guide.
- All documents listed in §2 have been received, and any remaining credential transfers have been completed or scheduled.
- The **45-day free post-launch support window** (contract §5) begins on the date of handover stated below, and its terms — see 13-support-warranty-terms.md — are understood by both parties.
- The known issues and limitations documented in 12-known-issues.md have been reviewed and are accepted as-is, or scheduled for resolution under a separate written agreement per contract §1/§4.
